

Meeting Minutes
May 23, 2022

The Mayor and Board of Commissioners of the City of Sweetwater met in a regular monthly workshop and called meeting on Monday, May 23, 2022 at 5 p.m. Mayor Lowe called the meeting to order with Commissioners present being: Lamar Hughes and Alan Richeson. Commissioners Billy G. West and Bill W. Stockton were absent due to illness and Sam Moser was working in another area. A quorum was not present, so the items on the agenda were reviewed but not acted upon.

Mayor Lowe opened the single bid received for a Sweetwater Police Department for a detective vehicle. The bid for a new 2022 Ford F-150 Super Crew cab totaled \$43,156 from Jacky Jones Ford Lincoln in Sweetwater. The item was placed on the June 6 meeting for approval.

Director of Schools Rodney Boruff and Finance Director Janet Collins presented the 2022-2023 school budget. He reviewed the federal funding through ESSR including capital improvements and noted the school's recognition as a "Best for all" district in how the money was planned and spent. He thanked the city for their support and for the cooperation in adding an additional full-time School Security Officer for the coming year.

City Recorder Jessica Morgan reviewed the Resolution that will be in the July meeting for action, explaining the city is selecting Cumberland Securities as a municipal advisor, as well as the timeline for adoption and issuance.

City Recorder Jessica Morgan also reviewed the bid received for the CDBG Home Grant, which would require a funding Resolution to allocate funds for completion of the last home due to twice receiving bids over the original grant budget. She recommended proceeding with the funding to complete the grant by the deadline, noting that federal Covid funding could be used to pay the excess without taking money from the general fund. The item was placed on the June agenda for action.

Mayor Lowe reviewed the upcoming agenda.

No action was taken. The workshop was adjourned at 5:40 p.m.

This the 23rd day of May, 2022.
